

- > Upon your visit, the student will conduct a 'consultation' to evaluate the hair for the service and quote the cost of the service.
- > The student will then escort you to reception to pay for your service.
- > Your consultation outcome and service will be monitored continually by the Educator.
- > Please allow more time than usual for your service to be completed as our students are being assessed step by step.

Thank you for supporting our students in their training.
