

English Language, General and Work Education

Learn best in a supportive and welcoming environment

Chisholm's Foundation College offers a range of programs to cater for students looking to improve their language, literacy and numeracy skills. Foundation courses will give you the skills and confidence to achieve your further study or employment goals.

As a student you will learn in small class sizes to ensure you receive personalised support and individualised attention from our teaching and support staff.

General Education programs

Chisholm offers General Education programs to students wanting to improve their literacy and numeracy skills.

We offer Certificates I, II, and III in General Education for Adults. Our courses are self-paced, individualised certificate learning programs that range from an alternative to year 9 through to preparation for VCE Vocational Major.

Our courses cater to students seeking an alternative to the traditional secondary school setting as well as mature aged students looking to upskill for work or further study.

Classes are flexible, casual and supportive with teachers providing individualised support. On completion of their studies, our student's pathway into apprenticeships, further study at Chisholm or employment.

To enquire about our General Education programs, call **03 9238 8577**.

Work Education programs

Work Education programs are specifically designed for students with intellectual disabilities who are struggling in mainstream or specialist schools.

We offer a three-year course delivering students life skills, independence and problem-solving skills to prepare them for future studies and life beyond school.

Over the three years, students are involved in travel training, community access, practical placement and vocational taster opportunities.

The Reconnect program

The Victorian Government's Reconnect program at Chisholm is designed to support the significant number of Victorians experiencing multiple barriers to engaging in education and training.

The program delivers on the Victorian Government's commitment to understanding and addressing the needs of disengaged and disadvantaged learners with a background of low levels of educational achievement.

The Reconnect team at Chisholm work one on one with participants in developing positive pathways through education and training and leading towards successful outcomes.
