TAFE VICTORIA

Ready to tackle Years 11 and 12 and looking for an alternative to school?

A new integrated vocational Victorian Certificate of Education (VCE) is coming in 2023.

The Vocational VCE Major is suited to 16+ youth and adults returning to study. It offers year 11 and 12 students a fast-track pathway to further study, a degree or employment. Giving you choice and flexibility while gaining career-ready skills and qualifications.

Select subjects aligned with your interests while achieving an accredited VET qualification. Choose from VCE Nursing, VCE Sport/Fitness, VCE Construction Trades, VCE Business and more.

Once you've completed your integrated VCE, we'll help you gain direct entry into your chosen apprenticeship, traineeship, diploma and/or degree pathway. No ATAR,? No worries.

Student story Nellie Vance

Nellie enrolled in Year 11 VCE at Chisholm in 2019. She achieved an ATAR of 93.3, despite completing almost her entire Year 12 VCE via remote learning. She also received the Academic Excellence award in each of her VCE subjects.

While navigating the challenges of remote learning, Nellie displayed resilience, determination and an excellent attitude. There was one laptop in her home that was often shared with her siblings. Despite this, Nellie buckled down and just

kept working, studying and asking for support from caring and compassionate teachers who were always ready to help. With their support, Nellie applied herself to her study with an incredible tenacity and work ethic.

Nellie set her sights on gaining entry into The University of Melbourne, a feat she accomplished with a first preference offer into the Bachelor of Arts, majoring in psychology and criminology.

VETDSS

Why wait? Start training for your career while you complete your VCE.

Combine a VET delivered to secondary students (VETDSS) qualification with your VCE pathway to an apprenticeship, employment or further study at TAFE and university.

As a Chisholm VETDSS graduate, you can fast-track your enrolment to your next course the following year in the same course area – or you can choose from our range of other courses and pathways.

We are one of Australia's largest VETDSS training providers, with over 3000 VETDSS students enrolling each year from more than 180 schools in Melbourne.

If you're keen to get a head start on a career, learn hands-on skills, train in state-of-the art facilities and be close to home, talk to your school careers advisor about how VETDSS works with your school curriculum.

For specific VETDSS course information, visit chisholm.edu.au/vetdss.

Degree pathways

A pathway can help make your career dream a reality, sooner.

With a pathway, you can use multiple qualifications as stepping stones to your end goal of employment or further study.

Why do a degree pathway?

- > Hands-on learning – provides you with a skill set focused on employment
- > Gives you multiple qualifications in the same time as a degree
- > Cost effective – because you can work in your chosen field from your first certificate, you can earn while you learn
- > No ATAR required – you're more than just a number!
- > Builds your employment network
- > Flexible and customisable to your life and career goals
- > Agile, up-to-date training
- > Multiple entry and exit points
- > The goal is employment – not just a qualification.

Short courses

Cut to the chase.

Whether you want to upgrade your skills, chase an interest or have a go before committing to a certificate course, we can help.

What is a short course?

Short courses are usually conducted over one or more sessions. They are designed to assist you in your current employment, to learn a new skill or to pursue an interest before you commit to an accredited long-term qualification. A short course can be an economical way to gain new skills or to enhance (or refresh) your existing skills.

Our short course areas

- > Accounting and bookkeeping
- > Art
- > Automotive
- > Business and finance
- > Education
- > Engineering
- > First aid and CPR
- > Hair, beauty and make-up
- > Health and safety representative
- > Hospitality
- > Information technology
- > Trades and more.

Why do a short course?

- > Obtain an industry licence or ticket
- > Professional development
- > Refresh skills or upskill
- > Career or personal interest
- > Ease your way back into long-term study
- > For fun or a hobby
- > Be part of your community and meet like-minded people.

We are adding new short courses and dates all the time. For more information, including session details, dates, locations and costs, visit chisholm.edu.au/shortcourses.
