

VETDSS

Explore VET options and start training for your career while you complete your VCE VM.

Combine a VET delivered to secondary students (VETDSS) qualification with your VCE pathway to an apprenticeship, employment or further study at TAFE and university.

As a Chisholm VETDSS graduate, you can fast-track your enrolment to your next course the following year in the same course area – or you can choose from our range of other courses and pathways.

Chisholm is one of Australia's largest VETDSS training providers, with over 3000 VETDSS students enrolling each year from more than 200 schools in Melbourne.

If you're looking to explore career options, learn hands-on skills, train in modern facilities and be close to home, talk to your school VET Coordinators and Careers Advisor about how to enrol in a VETDSS program that works with your school curriculum.
